Sir:

In spite of an earlier request to the Patent and Trademark Office, this application has as yet still not been associated with the Customer No. address of the attorney of record. It is respectfully requested that this be done without further delay.

This also responds to the restriction requirement mailed on October 15, 2002. The applicant **provisionally** elects claims 1-24. The requirement is respectfully traversed, because claims 25-28 represent a subcombination that is permissible to be retained along with the main combination claims 1-24.

Respectfully submitted

Customer No. address 23622

Gabriel P. Katona, attorney of record

It is hereby certified that this is being mailed on October 24, 2002.
